

05 For Collectors

For adults, we create collectible merchandise, focusing on figurines and robots under the unified brand, TAMASHII NATIONS. Our market size is expanding in Japan and worldwide.

Developing diverse categories and character products for the world

With these diverse categories and characters, we are expanding the market in Japan and overseas. Our products include the S.H.Figuarts movable action figures of extreme high quality, Figuarts ZERO, which displays distinctive molding and colors, and the leading robot toy brands CHOGOKIN and ROBOT SPIRITS. We are also globally expanding SAINT SEIYA series, ONE PIECE series, and DRAGON BALL series.

TAMASHII NATIONS

Developing character merchandise that appeal to adults

S.H. Figuarts series made STAR WARS characters into movable figures using the latest digital printing technology. Human-scale figures attracted the public attention. TAMASHII Lab produces replica items from live action movies. And the TAMACOLLE series, targeting adult women. We are actively opening up new markets, and conducting a world tour visiting 10 cities around the globe commemorating our 10th anniversary.
