

05 For Collectors

With our merchandise for adult collectors, we are opening up broad new markets in Japan and worldwide. Our product lineup is centered on figurines and robots, with all products under the single brand TAMASHII NATIONS.

Developing products for the whole world from diverse categories and characters

We are expanding the market in Japan and overseas for diverse categories and characters, including S.H. Figuarts, which has set new standards for movable action figures, Figuarts ZERO, which pursues distinctive molding and colors, and the leading robot toy brands CHOGOKIN and THE ROBOT SPIRITS. We are also globally expanding the SAINT SEIYA series, which will mark its 30th anniversary during 2016, as the SAINT CLOTH MYTH series.
